[C] We have gun control unlike our [F] neighbours to the [C] south
The [F] only thing we [C] can't con-[Am]trol is [F] Don [G7] Cherry's [C] mouth [C]
[C]/[C]

I'm [C] glad I live in Canada, who [F] wouldn't like it [C] here?
Ca-[F]nadian is a [C] railway, Ca-[F]nadian is a [G7] beer
[C] We have gun control unlike our [F] neighbours to the [C] south
The [F] only thing we [C] can't con-[Am]trol is [F] Don [G7] Cherry's [C] mouth [C]
[C]/[C]

There's [Am] two kinds of people in the [Em] world that I have [Am] met
Ca-[Am]nadians and people, who [Em] aren't Canadians [G] yet
There's a [Am] test you have to take, to [Em] be a citi-[Am]zen
Would you [Am] like to be Canadian? [Em] (Yeah) O-kay you're [G] in [G]
[G7]/[G7]

I'm [C] glad I live in Canada [F] summer, spring and [C] fall
Our [F] country is so [C] big, our [F] problems are so [G7] small
When [C] dot coms went under [F] I was A-O-[C]kay
[F] I was not dot [C] com [Am]/[F] I was [G7] dot c [C] a [C]
[C]/[C]/

[Am] Canada is so much more [Em] than a border-[Am]line
[Am] Canada's not a state [Em] it's a state of [G] mind
Some A-[Am]mericans are Canadians, to [Em] them we tip our [Am] hats
About a [Am] half of them I'd say, they [Em] call them Demo-[G]crats [G7]

I'm [C] glad I live in Canada, for [F] that I do give [C] thanks
[F] I like lakes and [C] mountains, and [F] real estate and [G7] banks
[C] You'll learn things in Canada, you'll [F] never learn in [C] school
Like [F] Mexico is [C] hot [Am] but [F] Ca-[F]na-[G7]da [G7] is [C] cool [C]
[C]/[C]/

[C] We have gun control unlike our [F] neighbours to the [C] south
The [F] only thing we [C] can't control is [F] Don [G7] Cherry's [C]↓[G7]↓[C]↓
